CONDITIONS OF SALE 7

Scope of Work

Mechanical Scope (Base Bid)

- Demolition of [24] Roof top units with associated piping, [5] Exhaust fans & [5] HVLS fans.
- Furnish & install [4] Air cooled chillers, [7] Chilled water pumps, [3] Air separators, [1] Buffer tank, [3] Expansion tanks, [3] Filter feeders, [4] Air rotation units, [7] Air handling units, [2] Gas-fired humidifier, [9] Gas unit heaters, [1] Duct heater, [6] Exhaust fans, [4] Supply fans & [2] Weld fume extraction units.
- Furnish & install [7] VFDs for pumps & [8] VFDs for fans.
- Furnish & install ductwork with insulation, supports & dampers.
- Furnish & install chilled water pipe (copper type-I & sch. 40 carbon steel) & condensate pipe (copper type-I) with insulation & supports (including 12' T-bar).
- Controls as per below scope:
 - o Demolish/relocate controls for [22] RTUs, [6] HVLS, [5] Fans.
 - o Install controls (DDC, sensors, panels, conduit) for:
 - [7] AHUs
 - [4] Air rotation units
 - [4] Chillers
 - [6] Exhaust & [4] Supply fans
 - [9] Unit heaters
 - [2] Welding fume systems
 - [1] Humidifier & [1] Duct heater
 - o Includes programming, graphics, startup & training.
- Test and balance including pre-test.
- Perform work on straight time & overtime.

Mechanical Scope (Temporary Equipment)

- Provide & install [3] Temporary air-cooled chillers with pumps & [6] Chilled water air handling units.
- Suspend relocated HVLS fans.

Mechanical Scope (Alternate 1)

- Furnish & install [3] Air cooled chillers, [7] Chilled water pumps, [1] Air separator, [1] Expansion tank, [1] Filter feeder, [4] Air rotation units, [7] Air handling units, [2] Gas-fired humidifier, [9] Gas unit heater, [1] Duct heater, [2] Electric wall heaters, [6] Exhaust fans, [4] Supply fans & [2] Weld fume extraction units.
- Furnish & install [7] VFDs for pumps & [8] VFDs for fans.
- Furnish & install ductwork with insulation, supports & dampers.
- Furnish & install chilled water pipe (copper type-I & sch. 40 carbon steel) & condensate pipe (copper type-I) with insulation & supports (including 12' T-bar).
- Controls as per below scope:
 - o Dedicated control panel & DDC for [3] Chillers.
 - o Supply & install: [3] Valve actuators, [4] Magnetic flow meters, [1] Differential pressure transducer.

- o Install relays/CTs for [3] Chillers & [7] Pumps.
- o Interface with chiller controls & integrate into BAS (monitoring & supervisory).
- o Included: Conduit, wiring, sensors (temp, status), programming, graphics, startup, coordination.
- Test and balance including pre-test.
- Perform work on straight time & overtime.

Plumbing Scope

- Furnish & install [1] Reverse osmosis water treatment system, [2] Gas pressure regulators & [4] Backflow preventers.
- Furnish & install compressed air pipe (aluminum blue pipe), domestic cold-water pipe (PEX type-a), gas pipe (black iron) & reverse osmosis water pipe (polyethylene) with supports.
- Perform all work on straight time.

Project Exclusions

- General construction work including concrete pads & structural steel.
- Roofing.
- Electrical work.
- Seismic bracing, seismic engineering.
- Duct cleaning.
- Core boring or wall penetrations.
- Ceiling access doors.
- BIM coordination.
- Sound attenuators.
- Work on any drawings other than mechanical & plumbing drawings.
- Actuators for motorized dampers, duct liner, spiral ductwork, kitchen/fume hood & hood exhaust.
- Control dampers & actuators.
- Manlifts & scaffolding.
- Cutting, patching, sealing, caulking, painting & repair work unless otherwise specified in the scope.
- Dust partitions and protection.
- Ceiling grid and tile work.
- Fire caulking.
- Ceiling removal, to be by others.
- Trenching & concrete cutting to be by others.
- Duct pressure testing.
- Duct leakage test.
- Anti-microbial coating.
- Liquidated damages.
- Payment & performance bonds.
- Saw cutting.
- Misc. support steel.
- Rectangular double wall duct.
- Dumpster for demo.
- Negative air machine.

- Environmental Remediation (asbestos, lead, soil).
- Demolition of existing interior partitions.
- Builders risk insurance.
- Any work related to the fire alarm & fire sprinkler system.
- Any work not listed above.
- Overtime, other than noted in scope.

Project Assumptions

- All work areas will be accessible during scheduled work times.
- All control wiring to be installed in conduit.
- Fiber to be installed on long network runs, (included) unless customer can provide ethernet access within ethernet cable limitations.
- Typical controls devices and interfaces assumed due to lack of IFC design.
- Existing systems will be in good working condition and capable of integration with new installations.
- Necessary permits and approvals will be obtained by the client before the start of the project. Mechanical and Plumbing permits are included in the price.
- Any unforeseen conditions or additional work required will be addressed through change orders.
- Client will provide clear and timely communication regarding any changes or updates to the project scope.
- Adequate space will be available for the storage of materials and equipment on-site.
- Power and utilities required for the installation will be available and provided by the client.

Clarifications

- Our offer is firm for 30 thirty days from the date listed above.
- Our offer is predicated upon a clear and accessible area that will be made available by others, where our work is to be performed.
- Unless noted in the specific inclusions, our work will be performed during our normal working hours and workweek.
- Overtime is accounted for core drilling, hanger drilling, and shutdowns.
- Does not include site work such as excavation, trenching, structural modifications, or backfilling.
- Does not include connections to municipal water mains or public sewer systems outside of the buildings boundaries.
- Does not include work with any medical equipment, modification of, or installation of.
- Includes Permits as required.
- Does not include any ICRA or containment, provided by General Contractor. Time to assist is included.
- In the event of any increase or imposition of tariffs, duties, or trade restrictions by any governmental or regulatory authority that directly impacts the cost of materials, labor, or equipment, the Contractor reserves the right to adjust pricing accordingly.
- Any such adjustments will be communicated to the Client in writing with supporting documentation outlining the additional costs incurred.
- The Client agrees to accept such pricing adjustments, and failure to do so may result in project suspension or termination at the Contractor's discretion.
- This proposal is based on the following documentation and as indicated in the scope of work above.

- This is not a design build but priced per plans and specification provided by the licensed engineer of record. Any addendum, or changes to drawings will result in change orders.

Pricing Summary

Item	Pricing Summary
Total Base Bid	\$ 22,915,231.00
Add for Alternate 1	\$ 1,185,406.00

ACCEPTANCE OF PROPOSAL

This proposal represents the entire agreement between the parties. There are no representations, promises or other understandings unless expressly included herein.

Proposal, if accepted, is approved by:_____

Title:_____

Date:_____

CONDITIONS OF SALE

1. REMITTANCES: All invoices shall be due and payable upon receipt in United States currency, free of exchange, or any other charges, or as otherwise agreed upon and set forth in writing by our company (hereinafter called "Seller"). The Customer, if so requested, agrees to furnish Seller with all information including financial statements, necessary to make a proper credit appraisal. Refusal to supply information may cause this proposal to be withdrawn. Terms of payment originally granted are subject to the approval of continued credit status. Prices are subject to correction for error.
2. PROPOSALS: Proposals are based upon straight-time labor. Any request by the Customer for overtime work shall be considered an extra. This proposal expires 30 days after its date, subject to the provisions of the first sentence of the paragraph below entitled "Acceptance of Terms."
3. PROGRESS PAYMENTS Seller reserves the right to invoice Customer monthly as the work progresses, for all materials delivered to the job site or to an off-site facility and for all work performed on-site and off-site. Engineering, drafting and other mobilization costs incurred prior to installation shall be included in Seller's initial invoice and be equal to fifteen percent (15%) of the contract price. Invoices are due upon receipt by Customer. If the Customer becomes overdue in any progress payment, Seller shall be entitled to suspend work, shall be entitled to interest at the annual rate of 18% or the maximum permitted by the State of Florida; and also, to avail itself of any other legal remedies. Seller shall also be entitled to interest on all amounts retained by Customer from progress payments or otherwise. Customer agrees that he will pay and/or reimburse Seller for any and all reasonable attorney's fees which are incurred by Seller in the collection of amounts due and payable hereunder.
4. CANCELLATION AND SUSPENSION: Any contract resulting from this proposal is subject to cancellation or instructions to suspend work by the customer only upon agreement to pay Seller adjustment charge.
5. TAXES The amount of any future sales, use, occupancy, excise, or other tax, federal, state, or local which Seller hereafter shall be obligated legally to pay, either on its own behalf of the Customer or otherwise, with respect to the material covered by this proposal, shall be added to such prices and paid by the Customer.
6. LOSS, DAMAGE OR DELAY: Seller shall not be liable for any loss, damage, or delay occasioned by any causes beyond Seller's control, including, but not limited to, governmental actions or orders, embargoes, strikes, differences with workmen, fires, floods, accidents, or transportation delays. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY CONSEQUENTIAL OR SPECIAL DAMAGES.
7. WARRANTY: Seller warrants that the equipment manufactured and services furnished by it and covered by this proposal are free from defects in material and workmanship under normal use and service and, without charge, equipment found to be so defective in material or workmanship will be repaired or replaced, if written notice of failure is received by Seller within one (1) year after date of installation, provided said equipment has been operated in accordance with Seller's instructions and provided such defects are not due to abuse, fire or decomposition by chemical or galvanic action. The labor is warranted for 90 days. THIS EXPRESS WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, GUARANTEES, OR REPRESENTATIONS, EXPRESS OR IMPLIED. THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. Seller assumes no responsibility for repairs made on Seller's equipment unless done by Seller's authorized personnel, or by written authority from Seller. Seller makes no guarantee with respect to material not manufactured by it.

PURCHASER'S REMEDIES: The Customer's remedies with respect to equipment found to be defective in material or workmanship shall be limited exclusively to the right of repair or replacement of such defective equipment. IN NO EVENT SHALL SELLER BE LIABLE FOR CLAIMS (BASED UPON BREACH OF IMPLIED WARRANTY) FOR ANY OTHER DAMAGES, WHETHER DIRECT, IMMEDIATE, FORESEEABLE, CONSEQUENTIAL, OR SPECIAL OR FOR ANY EXPENSES INCURRED BY REASON OF THE USE OR MISUSE OF EQUIPMENT WHICH DOES OR DOES NOT CONFORM TO THE TERMS AND CONDITIONS OF ANY CONTRACT RESULTING FROM THIS PROPOSAL.
9. PRICE IN EFFECT: For all metal projects a "price in effect" policy will be applied. Due to recent fluctuations in metals prices, all pricing should be considered as an estimate. Price increases received on metals at the time the order is released for production will be added to the invoice. We apologize for any inconvenience. Thank you for your cooperation.
10. GOVERNING LAW: Any contract resulting from this proposal shall be governed by, construed, and enforced in accordance with the laws of the State of Florida.
11. CERTIFICATION: The person whose signature appears on the attached hereof hereby certifies that, to his best knowledge and belief, the annexed bid is not the result of any agreement, arrangement or understanding between the Seller and any other manufacturer or seller of automatic temperature control systems and that the prices, terms or conditions thereof have not been communicated by or on behalf of the Seller to any such person and will not be communicated to any such person prior to the official opening of said bid.
12. ACCEPTANCE OF TERMS: This proposal shall become a binding contract between the Customer and Seller when accepted in writing by the Customer. Such acceptance shall be with mutual understanding that the terms and conditions of this proposal are a part thereof with the same effect as though signed by both parties named herein and shall prevail over any inconsistent provision of said order.
13. No waiver, alteration, or modification of the terms and conditions on this and the attached hereof shall be binding unless in writing and signed by an authorized representative of Seller.
